# World Tour Message

Dr. Rabbit saw lots of sights on his World Tour. He also passed along many important oral health messages everywhere he went! Find out one of his important messages by solving the puzzle below.

Start with #1. Fill in the missing letters in the words.

Cross out the letters that you wrote, in order from 1-8.

**O A F O P T L K I F U F W H O T T R U E A O S I D E O E**

Find the secret information: it's in the letters that are left!

**Dr. Rabbit's Message:** Everyone needs this mineral to keep the Plaque Monsters away and to keep their teeth and gums healthy. You'll find it in toothpaste and your drinking water.
