Plaque Monsters Loose in America!

The Plaque Monsters are at it again! This time, they're hiding in some of the capital cities in America, where they plan to carve the cavities into the teeth of the citizens who don't brush and floss every day.

Help Dr. Rabbit find the Plaque Monsters in the state capitals! What is the capital city of each of these states?

1. Kentucky

- a) Frankfort
- b) Louisville
- c) Lexington
- d) Paducah

2. California

- a) Los Angeles
- b) San Jose
- c) Sacramento
- d) San Diego

3. Connecticut

- a) Bridgeport
- b) Hartford
- c) New Haven
- d) Waterbury

4. Florida

- a) Tampa
- b) Miami
- c) St. Petersburg
- d) Tallahassee

5. Missouri

- a) Independence
- b) Jefferson City
- c) Springfield
- d) St. Louis

6. North Carolina

- a) Asheville
- b) Charlotte
- c) Durham
- d) Raleigh

Bonus Question:

People all over America — and throughout the world — need to keep this important information in mind:

Change your _____ every three to four months, or when it starts to get worn and shaggy.

The answer is your **secret word**. It will unlock next week's puzzle!

Check off each time you brush, morning and night.
