### RECITALS

**Whereas**, STARLIGHT and the Hospital desire this Agreement to govern gift(s) by STARLIGHT of *Fun Center(s)* and/or *PC Pal(s)* (the "Donated Unit(s)") on the Effective Date and in the future, without the necessity of executing separate agreements.

**NOW, THEREFORE**, in consideration of the foregoing facts and the mutual representations, warranties, covenants and agreements set forth herein, the parties to this Agreement hereby agree as follows:

1. **Use.** The Donated Unit(s) are a gift from STARLIGHT intended exclusively to provide entertainment to the Hospital's pediatric patients and the Hospital agrees that the Donated Unit(s) shall be used only for that purpose. In accordance with Section 7 below, STARLIGHT shall have the right to enter onto the property of the Hospital to repossess the Donated Unit(s) in the event that the Hospital fails to adhere to the terms of this Agreement or any other agreement between STARLIGHT and the Hospital, and thereupon, ownership thereof shall, at STARLIGHT's election, revert to STARLIGHT.
2. **New Equipment.** The Hospital acknowledges that the equipment and programs are technologically innovative and that testing of the Donated Unit(s) and its applications may be an ongoing process.
3. **STARLIGHT Responsibilities.** STARLIGHT shall provide: (i) installation of the Donated Unit(s); (ii) training of the Child Life Staff in operation of the Donated Unit(s) and its applications; (iii) telephone technical support and repair of the *Fun Center* Unit(s) and its applications on an on-going basis to the Child Life Staff; and (iv) telephone technical support and repair of the *PC Pal*® unit(s) and its applications on an on-going basis to the Child Life Staff for a period of three (3) years from the delivery date of the unit(s).
4. **Hospital Responsibilities.** The Hospital will bear the responsibility of designating a staff member (or members) who will oversee operations and use of the Donated Unit(s) by patients and staff at the Hospital, and make best efforts to monitor use, and to supervise in the same manner and to the same extent they would supervise any element of the Hospital's pediatric programs, the use of the Donated Unit(s) and its applications. The Hospital shall be responsible for controlling access by users and other persons to the Donated Unit(s) and its applications. The Hospital shall provide proper supervision and management over the use and operation of the Donated Unit(s) in order to preclude its abuse and preserve its operating efficiency.

5. **Inappropriate Use.** STARLIGHT shall not be responsible for inappropriate use of or access to the Donated Unit(s) and its applications including, but not limited, any content viewed by the user on the internet.
6. **No Alteration.** The Hospital shall not make or permit any repair, alteration or attachment to the Donated Unit(s) or its applications that materially interferes with normal and satisfactory operation or maintenance thereof without the prior written consent of STARLIGHT.
7. **Reasonable Access.** STARLIGHT shall have the right, upon reasonable prior notice to the Hospital and during the Hospital's regular business hours, to access the Donated Unit(s) to update the programs and any other aspect of the Donated Unit(s), as STARLIGHT deems necessary.
8. **Dedication Events.** The Hospital agrees to permit, and participate in, brief presentation events to dedicate the Donated Units(s) at the Hospital, at times that are mutually acceptable to STARLIGHT and the Hospital.
9. **Publicity.** Upon advance notice to the Hospital and at a mutually agreeable time, STARLIGHT will have the right to photograph or videotape the Donated Unit(s) and its use at the Hospital and to disseminate such photographs and videotapes to other persons for publicity purposes intended to build awareness of the program. If children and/or their families are included in such photographs or videotaping, their faces will only be shown by prior written consent of their parent or legal guardian, as applicable, on a form reasonably acceptable to the Hospital, and in compliance with HIPAA guidelines.
10. **Retention of Intellectual Property Rights.** STARLIGHT is and shall remain the sole and exclusive owner of all trademarks, trade secrets, trade names, service marks, copyrights or other intellectual property rights related to the Donated Unit(s). Under no circumstances shall the Hospital acquire any ownership interests whatsoever in any trademarks, trade secrets, trade names, service marks, copyrights or other intellectual property rights related to the Donated Unit(s). The Hospital acknowledges that the Donated Unit(s) are proprietary material and information of STARLIGHT.
11. **Term.** This Agreement shall be effective on the Effective Date and shall continue to be effective until terminated as per Section 12.
12. **Termination.** STARLIGHT may terminate this Agreement by written notice to the Hospital if the Hospital fails to perform any obligation of the Hospital under this Agreement and such failure continues for a period of thirty (30) days after the date that the Hospital receives written notice of such failure from STARLIGHT. Upon any such termination, STARLIGHT has the right to enter the property of the Hospital, upon reasonable prior notice to the Hospital and during the Hospital's regular business hours, to repossess the Donated Unit(s).
13. **Dispute Resolution.** To the fullest extent permitted by law, any and all controversies or claims arising out of or relating to this Agreement, or the breach thereof, shall be settled by

final and binding arbitration in [Los Angeles, California], administered by the American Arbitration Association in accordance with its rules and judgment by one arbitrator selected in accordance with said rules. The arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The arbitrator shall apply the substantive law of the State of [California], with the same statutes of limitation and the same remedies that would apply if the claims were brought in a court of law.

14. **Notice.** All notices, demands and other communications made pursuant to this Agreement will be in writing and shall be sufficiently given when (i) personally served or delivered, (ii) transmitted by facsimile, with an original sent concurrently by first class U.S. mail, or (iii) deposited, postage prepaid, with a guaranteed air courier service, in each case addressed as stated below, or addressed to such other person or address either party may designate in a notice. Notice shall be deemed effective upon the earlier of actual receipt or two (2) business days after transmittal.
