

Answer the Call Lyrics

Action Figure: Shh — Can you hear that? Can you hear the sound?
You heard the doctor — the call is coming down

Wilder: I don't know —
How can it be?
I'm just a kid —
Why would they need me?

Toy 1: Wilder, we believe in you

Frogs: But do you... believe in you?

All: **BE BRAVE, STAND TALL, ANSWER THE CALL**

Action Figure: Come on now,
Wilder, go grab your phaser

Wilder: You mean my toothbrush?

Action Figure: I mean your laser!
Sometimes it's the smallest things
They're so much stronger
Than they seem

Action Figure: LIKE YOU

Chompers: Ruff Ruff

Action Figure: ANSWER THE CALL

All: **BE BRAVE, STAND TALL, ANSWER THE CALL**

Wilder: I'M GONNA BE BRAVE
I'M GONNA STAND TALL...
You can do this. Answer the call...
