## Yes or Si

from Colgate Bright Smiles, Bright Futures™

Yes or no — are your teeth bright?  
Yes, my teeth are bright!  
Clap your hands if your teeth are bright.  
Yes, my teeth are bright!

Si o no — are your teeth clean?  
Si — my teeth are clean.  
Tap your feet if your teeth are clean.  
Si — my teeth are clean.

Yes yes yes (clap your hands) or si si si (tap your feet)!  
My teeth are bright and clean.  
Yes yes yes (clap your hands) or si si si (tap your feet)!  
You know what I mean.

Yes or no — is your smile bright?  
Yes, my smile is bright!  
Clap your hands if your smile is bright.  
Yes, my smile is bright!

Si o no — do you want healthy teeth?  
Si — I want healthy teeth!  
Tap your feet for healthy teeth  
Si, I want healthy teeth!
