MISSION #1
Sharing Bright Smiles
Start your Tooth Defender training with a “smile exploration!”

Draw what a bright smile looks like:

Write or draw at least three things that make YOU smile!

How can I keep my smile bright?
Draw or write your ideas:

Fill in the blanks:
My teeth are an important part of my smile. My teeth help me to:

______________________________________________________________

______________________________________________________________

______________________________________________________________

How can you share a smile with someone you love?
Find out by asking someone in your family.

I asked ____________________________ what makes him/her smile. Here’s the answer:

______________________________________________________________
